## Al Qur'an: The Guarded Revelation

Indeed, it is We who sent down the Qur'an and indeed, We will be its guardian. 15:9

This Qur'an is not such as can be produced by other than Allah. 10:37

Say: "If the whole of mankind and Jinns were to gather together to produce the like of this Qur'an, they could not produce the like thereof even if they backed up each other with help and support. 17:88

We have sent it down as an Arabic Qur'an, in order that ye may learn wisdom. 12:2

The revelation of the Qur'an is from Allah, the Exalted in Might, the Wise. 39:1
