

How to reason to know the Creator

Observation

Step#1

I see my existence and the existence of other things around me.

Observation

Step#2

I did not created myself and neither all other things around me created themselves

Easy Conclusion

Everything is Creation

Question

Step#3

Who created sky, stars, planets, us and everything around us ???

Three possible understandings

Step#4

The Creation always existed

If someone created then who created the creator ?

The Creator is Uncreated

1

2

3

Analyzing each understanding

Step#5

The Creation always existed

Nothing creates nothing

No Conclusion

Principle of Cause and Effect

1

No Conclusion

Step#6

If someone created then who created the creator ?

C1.....Cn Infinity

Unending Loop Infinite Loop

2

Conclusion

Conclusion

Step#7

The Creator is Uncreated

The Creator has No beginning

The Creator has unique essence

3

Only One

Absolute

Unique

Eternal

Unseen

Beyond imagination

Logical Conclusion # 3 Theory

Hindu Scripture

Zorastarian

Torah

Bible

Quran
