

How to reason to know the Creator

Step#1

Observation

I see my existence and the existence of other things around me.

Step#2

Observation

I did not created myself and neither all other things around me created themselves

Easy Conclusion

Everything is Creation

Step#3

Question

Who created sky, stars, planets, us and everything around us ???

Three possible understandings

Step#4

The Creation always existed

1

If someone created then who created the creator ?

2

The Creator is Uncreated

3

Analyzing each understanding

Step#5

The Creation always existed

1

Nothing creates nothing

No Conclusion

Principle of Cause and Effect

Step#6

If someone created then who created the creator ?

2

C1.....Cn Infinity

Conclusion

No Conclusion

Unending Loop Infinite Loop

Conclusion

Step#7

The Creator is Uncreated

3

The Creator has No beginning

The Creator has unique essence

Only One

Absolute

Unique

Eternal

Unseen

Beyond imagination

Logical Conclusion # 3 Theory

Hindu Scripture

Zorastarian

Torah

Bible

Quran
