

ISLAMIC MONOTHEISM

"Mankind was one single nation , and God sent Messengers with glad tidings and warnings; and with them He sent the Book in truth to judge between people in matters wherein they differed; but the People of the Book, after the clear Signs came to them, did not differ among themselves, except through selfish contumacy. God by His Grace guided the Believers to the Truth, concerning that wherein they differed.
For God guided who He will to a path that is straight" [Al Qur'an, 2:213]
