

Pure Monotheism vs Polytheism

The Creator

The Creator

The Creator

1

Polytheism

The Creator and Creation have similar attributes. The essence of The Creator and Creation is same.

2

Polytheism

Read down

The Creator appears, manifests or incarnates into shapes and forms of Creation.

3

Polytheism

Read bottom up

The Creation reaches its highest level and joins with the Creator to become one.

4

Pure Monotheism

There is a clear distinction between the Creator and the Creation. There is Only One Creator ; everything else is Creation.

The essence & the perfect attributes of the Creator are UNIQUE; cannot be compared with the Creation.

The Creator does not manifest, appear or incarnate into any shape or form of the Creation.

The Creator has perfect control over everything.

No vision can grasp Him, but His grasp is over all vision; He is above all comprehension, yet is acquainted with all things.

The Creator alone has the right to be worshipped.
